Making Available the Radio and TV Archive of DR, Danish Broadcasting Corporation –
Jane Holm Kildemand, Program Manager, Royal Danish Library

DR is Denmark's oldest and largest electronic media enterprise. The corporation was founded in 1925 as a public service organization and the archives span almost a hundred years of materials, technology and cultural heritage. The Danish Royal Library has been assigned the task of making the archives of DR available for all Danes within a 3-year time frame.
